

# TRIZ TRENDS 2014

- ***A One Day Summit to Learn, Share and Network***

**John F. Welch Technology Center, Bangalore, INDIA**

**Thursday - March 20, 2014**

TRIZ-TRENDS 2014 is a symposium hosted by GE India Technology Center to explore and share the current applications and evolving trends in the innovation methodology using TRIZ (Russian acronym for Theory of Inventive Problem Solving). This symposium will feature TRIZ-experts and practitioners at GE, as well as external thought-leaders from relevant fields including TRIZ-Masters from GEN3 Partners sharing insights on emerging TRIZ trends.

**Invited Speakers from GE, Gen3 Partners, Reliance, Mindtree, SKF, Cummins, Target, TrizIndia Forum and TRIZ Asia**

**Participation & Registration :** Participation is open to Engineers, Scientists, Academicians, Researchers and others interested in practicing and applying TRIZ for Innovation in their respective disciplines on a first-come-first-serve basis limited to a maximum of 50 participants. ***Preference will be given to those who have a background in TRIZ through formal or informal learning / training / certification.*** **REGISTRATION IS FREE**. To Register please visit :

<https://supportcentral.ge.com/esurvey/takesurvey.asp?p=17778&d=3819761>

There will be a **Contributory Poster Session** to showcase TRIZ methodologies and Applications and is OPEN to all participants. Indicate your interest in the Registration Form.

**LAST DATE TO REGISTER : March 5, 2014**
